

LATIN METALS INC.

PARTNER-FUNDED DISCOVERY IN SOUTH AMERICA

Latin Metals is a **prospect generator** focused on copper, gold, and silver exploration across **Argentina & Peru**.

With 18 projects and over **\$80 million in partner-funded exploration**, the company leverages joint ventures to minimize dilution and maximize discovery exposure.

PORTFOLIO SNAPSHOT

- **18 Exploration Projects** — Peru & Argentina
- **2 Major Partners:** Daura Gold & Moxico Resources
- **Commodity Focus:** Copper | Gold | Silver
- **Partner-Funded Model:** > \$80 M in non dilutive funding

WHY IT WORKS

Partner-Funded Drilling

2 Drill Programs
Expected 2025-26

Large Discovery Pipeline

18 projects for
multiple shots on goal

Minimal Dilution

JV partners fund
exploration

LATIN EXPLORE - NEW SPIN-OUT

Latin Metals plans to spin out its 100%-owned **Peruvian copper assets** (Para & Auquis) into a new company, **Latin Explore Inc.**, focused on copper discovery and drilling in 2026.

This creates **parallel value** for existing shareholders: drill-focused exploration at **Latin Explore** while maintaining a partner-funded model at **Latin Metals**.
